

HELP WANTED

Manufacturing Studio Production Manager/Assistant

(Multiple positions available, flexible hours—paid and volunteer)

No Sweat Fashions offers sampling making services, primarily to newer designers. We don't manufacture large runs—we specialise in sampling. We offer a local production option for fashion, homewares and accessories designers in Canberra and the region

Established in 2011, No Sweat Fashions is a not-for-profit social enterprise that offers refugees and disadvantaged migrants work experience, transitional employment and training in support of Canberra's emerging textile-based design community. We are growing and need to recruit a number of paid and volunteer experienced in Clothing Production and are passionate about growing a fashion industry here in Canberra.

Duties include:

- Managing the production schedule
- Staffing for projects
- Order of assembly
- Problem solving
- Negotiating projects
- Sourcing items for productions ie, fabric, branded accessories and notions
- Contacting suppliers
- Assisting the production team –(cut, make and trim)

Previous experience machine manufacturing work required, Cert III or IV in Clothing Production strongly desired.
